

Tuscola County Medical Care Community

Are you ready to join a company that is always motivated to exceed the industry standard for excellence?

Our nursing staff perform at the top of their profession which has ultimately resulted in our being a 5 Star Facility. We are looking for employees that embrace the changing health-care environment and are dedicated to providing excellent care to patients and residents with above average clinical outcomes and customer satisfaction. If you fit this description, we will be excited to hear from you.

We are accepting applications for:

**Full time and Part time RN on our "B" shift
(6:30pm- 7am)**

We offer:

Competitive wages & benefits
Health insurance available (upon completion of a waiting period)
Career advancement opportunities

For further information contact:

Brenda Kretschmer RN, Chief Nursing Officer
(989) 672-0504

Applications may be completed at www.tcmcf.org

Applicants considered for potential employment will be required to submit to a criminal background screening and pre-employment drug test.
